

RIGHTS OF ERASMUS STUDENTS

Students participating in the EU's Erasmus Program have the right to expect the following under the Erasmus Student Charter:

- Your home and host universities to have an inter-institutional agreement.
- The sending and receiving institutions to sign with you and before you leave a Learning/Training Agreement setting out the details of your planned activities abroad, including the credits to be achieved.
- Not to have to pay fees to your host university for tuition, registration, examinations, access to laboratory and library facilities during your Erasmus studies.
- Full academic recognition from your home university for satisfactorily completed activities during the Erasmus mobility period, in accordance with the Learning/Training Agreement.
- To be given a transcript of records at the end of your activities abroad, covering the studies/work carried out and signed by your host institution/enterprise. This will record your results with the credits and grades achieved. If the placement was not part of the normal curricula, the period will at least be recorded in the Diploma Supplement.
- To be treated and served by your host university in the same way as their home students.
- To have access to the Erasmus University Charter and Erasmus Policy Statement of your home and host universities.
- Your student grant or loan from your home country to be maintained while you are abroad.
